ATLANTA (December 13, 2018) – Fisher Phillips is pleased to announce that BTI Consulting Group has recognized the firm as a leader in client service in its *Client Service A-Team 2019* report, a ranking of law firms considered by their clients to deliver excellent client service on a consistent basis.

The rankings of the 417 law firms recognized in the *BTI Client Service A-Team 2019* are the result of more than 350 in-depth interviews with top legal decision makers at the world's leading organizations. The report determines how law firms perform across a range of client service activities deemed most important by corporate counsel, including client focus, adaptability to change, breadth of services and innovation.

BTI Consulting is a provider of strategic market research to law firms and professional services organizations and conducts the only continuous benchmarking market study from the client's perspective in the legal services industry.
