PORTLAND (Mar. 27, 2019) – Fisher Phillips Partner Richard R. Meneghello has been recognized as a Top Author in JD Supra's 2019 *Readers' Choice Awards*. Richard was selected for his high levels of visibility and engagement with articles by JD Supra readers. This marks the third consecutive year Richard has been honored in the Employer Liability Issues category.

The JD Supra Readers' Choice Awards recognize top authors and firms whose articles were read by C-suite executives, in-house counsel, media and other professionals across the JD Supra platform during 2018. For its 2019 Readers' Choice Awards, the content aggregator closely reviewed its 2018 reader data, identifying 26 industries and topics and recognizing the top 10 authors and one firm within each category that had the highest consistent readership and engagement. Only 228 of the more than 50,000 that publish on the platform were chosen as Top Authors.

"It's an honor to be selected as a JD Supra Top Author once again. Writing has long been a passion of mine, and it's great to be recognized for it," said Richard. "When there is a new development in employment law, employers ask how it might affect them and their workplace, and they greatly value and benefit from a thorough and articulate break down of the developments."
