CNBC Features Co-Chair of Pay Equity Practice Group

Kathleen Caminiti, partner at Fisher Phillips and co-chair of the firm's Pay Equity Practice Group, was featured in an extensive article by *CNBC* on the rise in pay equity litigation and the steps employers are taking to increase compliance with pay equity laws to mitigate the risk of lawsuits and retain important talent. "Every day there's another news story about another company or firm being sued for pay equity issues, and that trend will continue," said Kathleen. "Pay equity litigation is likely to be some of the most extensive employment-related litigation in the next 10 years." She continues by explaining how pay equity audits and pay adjustments can help mitigate the risk of litigation.
