Bert Brannen, Atlanta Managing Partner and the *Daily Report's* 2018 Best Mentor, co-authored an article for the *Daily Report* on the recent success of The Mentorship Academy of the State Bar of Georgia's Labor & Employment Law Section and the importance of mentoring programs for up-and-coming attorneys. Part of the success of the program, Bert says, is that the academy brings together lawyers who represent employees and employers, unions and management interests, government employees and government employers. In the article, he encourages other sections of the State Bar to adopt some variation of the program for their members.
