

# Employers May See Lawsuits Related to the Coronavirus Outbreak

News

3.12.20

The coronavirus is already impacting employers in Illinois, and it's likely that those impacts will continue as companies start to see lawsuits being filed as a result of the outbreak. In an interview with *Cook County Record*, **Franklin Wolf** explained some of the litigation risks that exist for employers in Cook County while emphasizing the need for employers to be mindful of how they treat employees especially when it comes to sick leave.
