

Partner Provides Answers to the Wall Street Journal's Coronavirus Workplace Questions

News

3.12.20

The coronavirus has had a major impact on companies around the world, and in the process, it has created a good amount of confusion about what employers legally can (and cannot) expect from their employees and vice versa. In an interview with the *Wall Street Journal*, **Howard Mavity** provides answers to some of the most pressing workplace questions triggered by the outbreak. In particular, Howard delivers insights on how employers can address and manage employee concerns about workplace safety and privacy.
