

ATL Small Business Network Turns to Fisher Phillips for Questions on COVID-19 and Managing the Workforce

News
3.30.20

Bert Brannen, Regional Managing Partner of Fisher Phillips' Atlanta office, interviewed with *ATL Small Business Network* on what employers in the city need to know about COVID-19 and the impact on their business practices. In the video interview, Bert clarifies whether employers can take employees' temperatures, what to do if an employees tests positive and how to keep their workplaces safe amid the virus outbreak.
