

# Philadelphia Worker Scheduling Law Takes Effect During Pandemic

News  
3.31.20

New worker scheduling requirements will hit Philadelphia restaurant, retail, and hotel employers at the same time they're managing through shutdowns and widespread layoffs spurred by the Covid-19 pandemic. In an interview with *Bloomberg Law*, **Jeff Csercsevits** explained that no one anticipated this situation when the ordinance was drafted. He said, "There certainly a lot of questions about how businesses will comply under these unusual operating conditions."
