

Local News Station Interviews New Orleans Partner About Employee Safety Amid COVID-19

News
4.08.20

In an interview with *WDSU*, partner **Michelle Anderson** discusses employee safety for companies that are being relied upon to provide essential goods and services during the COVID-19 pandemic. Michelle explains that the Centers for Disease Control guidelines are a good place for businesses to start, but she notes that many employers are going above and beyond adding plexiglass sneeze guards and limiting the amount of people who are allowed in their stores at any one time. She notes that actions like these show that employers “are doing what they need to do to keep people safe.”
