

Former OSHA Leader Comments on Agency's Response to Pandemic

News

4.23.20

In an interview with *Kaiser Health News*, **Edwin Foulke** draws from his experience running OSHA during part of President George W. Bush's administration to comment on the agency's present-day response to the COVID-19 pandemic. Foulke credits OSHA with providing guidance in the form of general publications as well as specific industry guidelines on how to deal with health issues. And he is left wondering what more OSHA could be expected to do in this unprecedented situation.
