Stephen Mitchell recently spoke with *SC Biz News* on the workplace issues employers face as the start to bring employees back to work. Of utmost importance, he says, employers must be in constant communication with their workforce. All businesses should have strategies in print charting day-to-day protocol and their response to confirmed COVID-19 cases in the workplace. Stephen adds that employees need to know that their employer has not only developed a comprehensive plan for keeping them safe as they return, but that the employer will continue to execute that strategy as time goes on.
