

Atlanta Small Business Network Interviews Marty Heller on Return-To-Work Issues

News
5.20.20

In a recent segment on the *Atlanta Small Business Network*, **Marty Heller** interviewed with host Jim Fitzpatrick on what employers across Georgia need to know before bringing their employees back to work. In the segment, Marty walks employers through human resources and legal considerations including how to bring terminated or furloughed employees back properly, how to implement remote work plans and how to manage accommodation requests, among many other return-to-work issues for employers.
