4.26.19

At a hospitality conference in San Diego, partner Danielle Moore addressed potential legal threats a hotel may face and how to mitigate the risk of a lawsuit. *Hotel Management* quoted Danielle's session on testing for cannabis and where the trouble can arise for employers if they don't know the legal issues at play. Danielle recommended that employers consider the possibility of accommodating an employee who has legally used the drug. "Know your company's policies, and make sure all your managers do, too, to avoid someone unknowingly spreading inaccurate information; and stay up to date. This is changing every single month, sometimes weekly," she said.
