

FP Cares

FP Cares is a not-for-profit 501(c)(3) formed by Fisher Phillips to support the firm's community engagement and charitable activities. Led by our Director of Pro Bono & Community Engagement, local FP Cares teams in each of the firm's offices organize and implement community engagement programming throughout the year.

FP Cares has chosen to focus the firm's community involvement and charitable giving on children for the foreseeable future, partnering with CureSearch for Children's Cancer, whose mission is to end childhood cancer by driving targeted and innovative research with measurable results in an accelerated time frame.

We were honored to receive the CureSearch "Champion for Cures Award" recognizing the Fisher Phillips family's impact throughout 2024. And Chairman and Managing Partner, John Polson, has been appointed to the CureSearch Board of Directors. "I am honored to join CureSearch in their fight to end childhood cancer," said Polson. "This is a cause close to my heart, and I look forward to contributing to the organization's critical work in advancing cutting-edge research and providing hope to children and families affected by cancer."

If you have any questions or would like to discuss potential partnership opportunities, please contact FPCares@fisherphillips.com.

Recent Projects Include:

- At the firm's 2024 All Attorney Retreat, we put our theme, "fpIMPACT" into action by raising \$200,000 to support CureSearch.

Fisher Phillips is honored to have presented a \$200,000 check to CureSearch at our AI IMPACT Conference in Washington, D.C.

- Fisher Phillips launched its first annual firm-wide “FP Week of Impact” when the entire FP team joined together to support and celebrate the work of CureSearch. Our offices across the U.S. proudly participated in CureSearch’s Notes of Hope initiative by creating over 2,000 handmade uplifting notes for CureSearch to deliver to children receiving care in pediatric cancer units.
- FP offices across the country joined together for a three-month long initiative, “Days of Service Challenge” to serve our communities in Dr. Martin Luther King’s honor. Nearly 200 FP team members in 20+ offices volunteered to support various local non-profit organizations, from assisting food distribution centers, to assembling comfort bags for cancer patients.
- At the firm’s 2022 All Attorney Retreat, we partnered with Cheeriodicals to assemble nearly 200 care boxes packed with toys and activities for hospitalized children and their siblings staying at the local Phoenix/Scottsdale-area Ronald McDonald House.
- In response to the worldwide COVID-19 pandemic, FP Cares volunteers across the U.S. sewed hundreds of non-medical grade cloth face masks which were donated to a Children’s Miracle Network hospital in New Jersey. The masks were given out to patient families visiting the hospital to help keep the kids and frontline medical workers safe.

- FP Cares made the holidays a little bit brighter for kids across the country this past December. Through our collective efforts, we provided gifts and support directly to 13 families with 52 kids, donated presents to at least 16 different organizations across the country which provide care and support to thousands of children, and collected \$6,500 to help kids celebrate the holidays.
- The Irvine office held both a traditional and virtual food drive for Second Harvest Food Bank of Orange County. The Irvine team collected over four boxes of food and personal care items as part of the traditional food drive and raised almost \$1,700 and close to three tons of food as part of the virtual food drive. Due to the Irvine office's efforts, 4,944 meals were distributed throughout Orange County.
- Members of the firm's Los Angeles office spent time clearing a backyard, laying down turf, and building a playground set for kids at a local women's shelter.
