

What Healthcare Employers Need to Know About OSHA Amid the Pandemic

Publication

6.25.20

With the continuing COVID-19 pandemic, the Occupational Safety and Health Administration (OSHA) has placed an increased focus on the obligations of healthcare employers to provide employees a safe work environment. In a bylined article published in *Medical Journal Houston*, **Pamela Williams** describes current OSHA safety standards for the healthcare industry while also explaining what employers need to know if/when OSHA comes to inspect their facility during the pandemic.
