

What Should Employers Know About the Rise in COVID-19 OSHA Whistleblower Claims?

Publication

10.15.20

A recent report from the federal government revealing that workplace safety whistleblower claims have exponentially increased during the pandemic should motivate employers to take immediate steps to ensure they don't find themselves on the receiving end of such a claim. In a bylined article for the *Claims Journal*, **Phil Bauknight** tells employers what they need to know about the dramatic rise in these cases, and he also explains what employers can do to avoid a similar fate.
