11:50 am - 12:50 pm EST | General Session 2

Employers Face Increase In COVID-19 Wrongful Death Lawsuits

Description: As COVID-19 cases and deaths continue to rise, so too does the number of lawsuits filed against employers. Recently, an increasing number of families of employees who died from COVID-19 have asserted wrongful death actions against employers for failing to keep their family members safe while at work. This session will cover what employers can learn from these lawsuits to not only keep their workers safe but avoid being on the receiving end of such a claim?
