2:00 – 3:00 pm EST

In this 6 month series, the Fisher Phillips Louisville attorneys will present virtually on trending labor and employment law topics affecting employers across the country in a post-pandemic era. This program is designed for HR managers, in-house counsel, safety managers and those who manage employees.

In January 2021, President-Elect Biden can begin taking actions that will immediately impact employers. Although it is not easy to predict exactly what actions Biden will take once he gains control of the executive branch, this webinar will provide employers a discussion of changes that will most likely come about in the areas of workplace safety, the National Labor Relations Board, the Future of Work, wage and hour, pay equity and leave laws. Join the Fisher Phillips Louisville office attorneys for an important virtual discussion as they walk through what developments to expect.

This webinar has been approved for 1 hour of GEN KY CLE credit.
