PHOENIX BUSINESS JOURNAL: THREE WAYS TO HELP MANAGE OFFICE ROMANCES

Publication
Feb 10, 2014

Shayna Balch was featured in the *Phoenix Business Journal* as a guest blogger.

According to Shayna, a recent survey revealed that approximately 40 percent of U.S. workers have dated fellow employees, and another 40 percent would consider doing so.

She offered ways to keep employees focused on work, rather than an office love interest.
