Karl Lindegren, co-chair of Fisher Phillips' California Litigation Practice Group, recently spoke with *CNBC* on the emergence of COVID-19 litigation and the steps employers can take to protect themselves against becoming part of the statistic. He recommends designating an employee or an entire team to monitor the various guidance from governments and public health agencies around workplace safety during the pandemic. Businesses' goal, Karl says, should be to make sure they're complying as best as they can.
