

Denver Attorney Discusses Impact of Revised Hours of Service Regulations on Trucking Industry

News

7.16.20

In an interview with *Construction Equipment Guide*, **Benjamin Ross** discusses the Federal Motor Carrier Safety Administration's revised Hours of Service (HOS) regulations. Ben explains that the new HOS rule is "a further attempt to aggressively promote efficiency while maintaining high safety standards." He delves into the new and significant changes to the rule and he explains how these changes will impact the trucking industry.
