

Fisher Phillips Partner Featured on Hospitality Podcast

News

8.05.20

On a recent segment of the *Proven Principles Podcast*, **Myra Creighton** discusses the current debate and legal climate on mandating mask usage in hotels. During the segment she shares advice on how to deal with conflicting information to ensure hotel employers, their guests and employees are safe as they operate in this new environment. Myra also discusses ADA implications, hotels denying service and how to deal with the conflicting rules among various government jurisdictions.
