

# Introducing The FP Vaccine Resource Center For Employers

Insights

10.02.20

As employers consider whether to mandate flu shots in the workplace this season – and begin to look ahead to the impending COVID-19 vaccine and contemplate the workplace implications – Fisher Phillips is pleased to unveil the [FP Vaccine Resource Center for Employers](#). At this free resource page, you'll find:

- **Vaccine Insights** – We have several alerts providing practical guidance to employers, including the popular [Flu Season And Possible COVID-19 Vaccine Will Shine A Spotlight On Workplace Vaccination Policies](#) and the most recent addition: [Is it The Flu Or COVID-19? 4 Key Steps To Address New Workplace Challenges At The Start Of Flu Season](#).
- **Vaccine Data Bank** – We have collected model templates and forms that you can put to use right away, including a model mandatory vaccine policy, a non-mandatory vaccine policy, requests for accommodation forms for both medical and religious reasons, and more.
- **50-State Chart on Vaccines, Exemptions, and Related State Issues** – Do you know what state law says about your ability to require mandatory vaccines with your workforce? Do you know the specific state rules on exemptions? With this 50-state chart, you will be fully in the know about your local obligations.
- **COVID-19 Vaccine FAQs** – We have assembled the most frequently asked questions employers have about workplace law issues related to the anticipated COVID-19 vaccine and provided our best thought leadership to address these concerns.
- **Webinar** – We also have a registration page for our upcoming complimentary webinar: [Sticking Points: What Employers Need To Know About Flu Shots And COVID-19 Vaccines](#), taking place on October 13 [approved for 1 HRCA/SHRM credit hour].

Be sure and [bookmark this page](#) and check back regularly, as we'll continue to update our Resource Center as this issue evolves in the coming months.
