Rick Grimaldi and Lori Armstrong Halber created an article entitled “Can Energy Really Equal Jobs? Only With Bipartisan Effort,” for Philadelphia.RegionsBusiness.com.

Neither the Democratic or Republican parties have the complete solution to Pennsylvania’s energy problems, the duo wrote. We need look no further than Pennsylvania to see the growth trajectory and ultimate impact on employment to understand the importance of the energy sector to the economy and as a result, on the race to be Pennsylvania’s next Governor.
