

A New Fad: Raising the Minimum Wage

Publication

4.10.14

Greg Hanscom's blog post "A New Fad: States, Local Governments Hiking the Minimum Wage," was published on TLNT.com.

A centerpiece of President Obama's current legislative agenda is raising the federal minimum wage.

While many doubt a bill raising the federal minimum wage will be passed by Congress, President Obama's call for such legislation has spurred many states and municipalities to act.
