

Hong Kong: Workplace Policies That Embrace the Best of East And West

Publication

4.14.14

A blog post by Alice Wang for the [Cross Border Employer](#) blog was published on TLNT.com.

In continuation of my article on Globalizing in Hong Kong in December 2013, let's discuss some of the practical implications and recent developments in Hong Kong's employment arena. Hong Kong is not just a pivotal financial center of Greater Asia with soaring towers and enigmatic business opportunities; it also embraces traditions and honors family-oriented values.
