Rick Grimaldi and Lori Armstrong Halber created an article entitled “Employee Retention Rates: The Buck Stops With You” for *Region's Business*.

A changing economy means staff have more options. Is your company poised to make the most of it?

According to Forbes, over 2.25 million employees quit their jobs in October 2013, the highest number since 2010. And not for the reasons you might think. The number one reason employees leave is not money, it is poor management.
