

Is Your Employee Handbook Up To Date?

Publication

2.06.15

Lisa McGlynn's article "Is Your Employee Handbook Up To Date?" was featured in the *Daily Business Review* on February 6, 2015.

In the article, Lisa discusses the importance of maintaining a well drafted and up-to-date handbook and explores why implementing a social media policy is a must in today's workplace.

Lisa states that by making sure your company is operating pursuant to a solid, up-to-date, legally compliant handbook, you are setting your organization up for success in the New Year and beyond.
