

Safety is More Than Compliance

Publication

5.05.15

Howard Mavity's article "Safety is More Than Compliance" was featured in *Construction Business Owner Magazine* on May 5, 2015.

In the article, Howard discusses how managing construction safety goes beyond adhering to OSHA standards and reducing injury and illness rates. He addresses the following topics:

1. Build a Working Safety Process
2. Reduce Risks and OSHA Citations
3. Step Up Subcontractor Management
4. Train Isolated Workers
5. Attack the Causes of Unsafe Behavior
