

What Employers Need to Know About Philadelphia's Black Workers Matter Recovery Package

Publication

2.16.21

In their article published by the Philadelphia Business Journal, **Kelsey Beerer and Luke McDaniel** break down the city's new Black Workers Matter Economic Recovery Package for hospitality employers. They outline who is covered by the laws, what the bill contains, when the new laws take effect and why the city passed the new measures. Given the new laws, Kelsey and Luke recommend that covered employers tread lightly when looking to hire employees, recall laid-off employees or look to sell their operations.
