John Thompson's [Wage and Hour Laws Blog](#) post "Proposed Labor Department Regulations Would Greatly Expand Overtime Pay" was picked up by *TLNT* on June 30, 2015.

At long last, the anxiously-awaited proposed changes in regulations defining the federal Fair Labor Standards Act's Section 13(a)(1) executive, administrative, professional, outside-sales, and derivative exemptions have been published by the U.S. Department of Labor for public consideration and comment.

Blaring headlines notwithstanding, here is what you should know:

- These provisions are not in effect;
- The exemption rules have not yet been changed; and,
- Employers are not required to do anything differently for the moment.
