Steve Roppolo's article "Guest Voices: Texas Businesses Have to Adjust to Open Carry World" was featured in *San Antonio Express News* on July 22, 2015.

Texans love their guns, but they also cherish their property rights. Now that the Texas Legislature has passed an open carry law, designed to permit licensed gun owners the right to wear handguns in holsters while in public, local employers — especially retailers — will have to decide how to respond.
