

What Employers Need to Know as Immigration Changes Heat Up

Publication

2.28.21

In a co-authored article published in *HR Professionals Magazine*, **David Jones** and **Marc Trocinski** explain some of the immigration changes that employers could expect to experience under the Biden administration. They start by explaining the new comprehensive immigration bill called the U.S. Citizenship Act of 2021, and they point out several areas of potential action that the Biden administration is pushing forth.
