

International Business Travel, Worker Safety and COVID-19 in 2021

Event

2.25.21

1:00 – 2:30 PM ET

COVID-19 continues to disrupt operations for many businesses and those who have employees that must travel and/or work internationally are still feeling the pinch of restrictions. Please join us as we discuss the outlook for international travel in 2021, compliance with travel restrictions, testing, quarantine obligations and pay, vaccines, and international work-from-home rules. Through a series of actual case studies, this interactive webinar will cover the above topics as well as best practices for those areas. An extended Q&A session will be held at the end of the program and attendees are invited to submit their questions in advance if they'd like to make sure they are covered in this session.

Advance questions should be submitted to [Donna Kearney](#).

If you have any questions, please contact [Donna Kearney](#).

*Fisher Phillips is committed to providing access to all of our events for disabled attendees. Please contact [**Donna Kearney**](#) if you need an accommodation to participate in this event, please give us 72-hours' advance notice prior to the scheduled event. Thank you.*
