

ADA Litigation: Website Accessibility Claims on the Rise

Publication

6.16.16

In the article, “ADA Litigation: Website Accessibility Claims on the Rise,” featured in *Retailing Today*, Attorneys Colin Calvert, Caroline Pham and Myra Creighton discuss the importance of taking the time to ensure that your website is accessible to individuals with disabilities, not only protect your business against the rising potential of lawsuits under the American with Disabilities Act, but also to open your doors to new customers and clients.
