News Podcast

It's the topic every employer across the country wants to know about: COVID-19 vaccines and the workplace. In this podcast, Fisher Phillips partners [Phil Bauknight](#) and [Kevin Troutman](#) – who have been leading our firm's Vaccine Subcommittee – discuss key issues that employers should consider surrounding the COVID-19 vaccination effort. Among their topics: whether and how to implement a mandatory vaccination program, dealing with reasonable accommodations, alternatives to a mandatory vaccine requirement, and other common questions.
