FISHER PHILLIPS PARTNER INTERVIEWS ON THE “NEW NORMAL” IN THE WORKPLACE

News
Apr 8, 2021

In an interview with CBS New York, **Rick Grimaldi**, partner and author of “Flex: A Leader’s Guide to Staying Nimble and Mastering Transformative Change in the Workplace,” discusses the changes employees might expect in their physical workplaces and how employers can best work with their workforce to ease jitters about coming back. He explains that it’s always best for an employer to try to work with employees to see what they can do to educate them around new safety precautions at the office. Rick also urges employers to be flexible in the post-pandemic world.
