WORKERS' COMPENSATION IN A POST PANDEMIC WORKPLACE – THE UNIQUE CHALLENGES FACING PUBLIC EMPLOYERS AND THEIR EMPLOYEES

Event

May 24, 2021

9:30 am - 11:30 am EDT

Join Fisher Phillips for a discussion of the financial and legal issues facing public employers in the post-pandemic workplace.

You will gain key insights into how the pandemic will impact your workers' compensation rates and how you can protect your organization from legal liability associated with COVID-19. Topics include:

Pandemics, Presumptions and Paybacks – The impact on future workers' compensation rates for Public Employers

Examining the short and long term impacts of the last 15 months on future premium rates for public employers, the direct and indirect underwriting of the pandemic and legislative changes and understanding how BWC rebates in 2020 will influence future rates

Public Employment Risk Reduction Program (PERRP) - Overview, hot topics due to COVID and other helpful services

An explanation of PERRP and its services, hot topics arisen due to COVID and the related injury and illness reporting/recording requirements

It's COVID – But is it Compensable? Workers' Compensation Claims in a Pandemic

Figures regarding compensability of COVID, industry specific issues, legal standard for occupational disease, the position of BWC on COVID and future trends
