

COVID Liability Shields Could Create Headaches for Multi-State Employers

News
4.26.21

In an interview with HR Dive, **Karl Lindegren**, co-chair of Fisher Phillips' California Litigation practice, explains what multi-state employers should do to keep up with different state laws that shield businesses from certain coronavirus-related lawsuits. He recommends that employers designate someone to keep abreast of emerging legislation on both federal and state levels and to also track evolving safety guidelines. This is key, he says, because employers will want to be able to show they did everything they could to keep workers and others safe.
