## WELCOME TO THE NEIGHBORHOOD: HOSPITALS NEED TO GET TO KNOW TITLE IX

Publication  
Jun 5, 2017

Hospital administrators are well aware their institutions are subject to a whole host of workplace-related federal statutes: Title VII of the Civil Rights Act, the Health Insurance Portability and Accountability Act (HIPAA), the Employee Retirement Income Security Act (ERISA), and the Family and Medical Leave Act (FMLA), just to name a few.

However, due to a recent federal appeals court decision, you may need to familiarize yourself with a federal statute that perhaps is not yet on your radar – Title IX of the Education Amendments Act of 1972.
