

Wage and Hour Wednesday – Are Your Exempt Employees Still Exempt? Reexamining Employee Classifications of a Remote Workforce

Event

6.09.21

12:00 PM — 1:00 PM EDT

Feeling confident you have properly classified your exempt employees? “Hold my beer,” says the COVID-19 pandemic. Like most things, this past year has changed how we do business, converting our brick-and-mortar office into a Zoom chat room. And with these changes, employees that you previously classified as exempt may no longer meet a particular exemption, given their now remote status.

Join Fisher Phillips attorneys Courtney Leyes and Marilyn Higdon for a one-hour webinar to learn how the current business conditions of working remotely may have impacted some of your remote workers’ status, how you can and should audit your workers’ status while they are working remotely, and what you can do to minimize any risk associated with any potential misclassification issues.

The firm is submitting this webinar for SHRM/HRCI credit.
