WHW: What To Do When the DOL Comes Knocking (with ...

Are you ready for the Department of Labor to audit your business? Now that businesses are getting back on track, more people are returning to work and a new Secretary of Labor is in place, the likelihood of a DOL audit for compliance with wage and hour laws is imminent. Don't wait, learn how to prepare now for when there is a surprise knock at the door by a DOL investigator.

Co-chair of Fisher Phillips Wage and Hour Practice group, Hagood Tighe, joins attorneys Michelle Anderson, Megan Janes, and Jennifer Scully to discuss this timely issue.
