

Fisher Phillips Breakfast Briefing: Top Legal Concerns to Consider In Welcoming Your Employees Back to the Workplace

Event

6.08.21

9:00 AM — 10:00 AM EDT

The imminent return to the office creates a myriad of legal issues for New Jersey employers. How do you comply with the laws and regulations passed/amended during the pandemic? How do you deal with guidance from the CDC and local governmental agencies? How do you manage employee concerns/requests? How do you handle the vaccine questions? How do you deal with all of these things while actually running a business? Attorneys Phillip Bauknight and David Lichtenberg will present a comprehensive program to address these issues and more. This presentation is designed to be interactive.

This course has been submitted for HRCI/SHRM and CLE in New Jersey.
