THE FUTURE OF U.S. IMMIGRATION: A FRAGMENTED PATH FORWARD

Event

Jun 24, 2021

1:00 pm - 2:00 pm EDT

Join us every other month for "Immigration Insights" – our immigration webinar series designed to keep you up to date on hot topics in immigration law.

The U.S. Citizenship Act of 2021 has effectively stalled in Congress, keeping comprehensive immigration reform an elusive notion. But that should not suggest a continuation of the status quo. Incremental changes can have a meaningful impact on employers' strategies around immigration and mobility, and may be achievable through the more piecemeal approach to reform that lawmakers have recently adopted.

Join David Jones and Mayra Rodriguez for a complimentary webinar designed to help employers unpack these discrete changes and square a less restrictive political landscape with the diminishing threats associated of the global pandemic.

Pending approval for HRCI and SHRM credit.
