The passage of SB 1343 expands the AB 1825 training requirement to now require all employers with five or more employees to provide anti-harassment training for nonsupervisory employees. It requires all nonsupervisory employees to complete one hour of anti-harassment training. All employees must be trained within six months of being hired and every two years thereafter.

This session, exclusively for qualified human resources professionals, will equip them with the knowledge, confidence, and materials to conduct SB 1343 training in their workplace.

Training materials will be provided in both English and Spanish for this session.

Important: Only those who fall under eligible train-the-trainer categories may attend this session.
