Biocom California

Event

Jun 17, 2021

2:00 pm - 3:00 pm PDT

The third time is (probably) the charm. Fisher Phillips and Biocom California invite you to an upcoming webinar where attorney Jim Fessenden will review the upcoming changes to Cal/OSHA's Emergency Temporary Standards (ETS) anticipated to go into effect on June 17, 2021. The discussion will cover modifications to the ETS, how the ETS updates will interact with the newly relaxed CDC guidelines for fully vaccinated individuals, and the bottom-line impact on returning employees to the office.
