THE ICEMAN COMETH: HOW TO RESPOND WHEN ICE KNOCKS

Publication
Nov 16, 2017

The Business Journals featured the article “The ICEman Cometh: How to Respond When ICE Knocks” authored by David Jones. This article informs employers about their rights and duties when the Immigration and Customs Enforcement (ICE) audit or search the company. David provides details about the types of warrants ICE may bring and how to respond to each warrant.

With ICE’s renewed focus on workplace enforcement and its push to remove undocumented workers, employers face an ever-increasing likelihood that ICE will be knocking in the near future. To avoid liability and to ensure that they are in compliance to the best of their knowledge, employers should begin by reviewing their I-9 files and policies.
