

How to Recognize and Address Workplace Sexual Harassment

Publication

12.13.17

Todd Fredrickson's article "How to Recognize and Address Workplace Sexual Harassment" was featured in *ColoradoBiz*. In 2017, the issue of sexual harassment has come to the fore with the flood of allegations. The concept of sexual harassment is not new, but many employees and employers have missed the message about the wide variety of language and behavior that give rise to liability.

In the article, Todd describes what sexual harassment is, the types of sexual harassment and provides tips for employers to prevent harassment claims.
