Event

8.18.21

12:00 PM — 1:00 PM PDT

Classifying employees is a task that most employers believe has been handled properly, yet they continue to see misclassification lawsuits and the potential liability is massive. The reality is, there are many positions employers commonly misclassify, where even the “very best” independent contractor agreements can have major legal repercussions. In this one-hour webinar, Fisher Phillips attorneys will discuss the key differences between exempt and non-exempt, best practices, and the most important dos and don'ts when classifying employees.

This webinar is approved for 1 hour of HRCI/SHRM credit.
