Event

Aug 26, 2021

9:00 am - 10:00 pm PDT

Meal and rest period PAGA and class action claims continue to skyrocket, resulting in multi-million dollar settlements and judgments against California employers. All employers are at risk, but employers with 100 or more employees are particularly at risk due to the size of their workforce and amount of damages. Unfortunately for employers, compliance with the law does not always prevent costly litigation. This presentation will cover key strategies for preventing and defending such claims, which all employers must understand and implement.
